Bookings are essential. Geronimo has very strict class size limits. This is to ensure that each students receives appropriate attention to allow for improvement. We do apologise if you are not able to gain a space in your preferred class and appreciate your understanding in this matter.

Students from Grade 1 Ballet and higher are required to attend two classes per week. Extra Exam Saturday classes are compulsory in Term 1 for Ballet students entered into exams - These are additional to the regularly scheduled classes on Saturday and ARE NOT on this timetable. They will be scheduled after the exam entries have been finalised.

Extra Exam Saturday classes are compulsory in Term 2 and 3 for Jazz and Tap students entered into exams.

Geronimo Performing Arts timetable is subject to change. The timetable does change in Term 4, as some classes combine to prepare for the end of year show.
